

The Baker Buzz...

Three Minute Thesis

Congratulations to Elizabeth Watt, Medical Physics graduate student here at TBCC for her First Place victory in the Western Canadian Finals of the [Three Minute Thesis](#) Competition! She competed against representatives from 13 other universities and goes on to compete at the national level against candidates from 36 other Canadian institutions! Congratulations, Elizabeth, and good luck!! Read her profile [here!](#)

New Health Minister Visit

The newly appointed Minister of Health, Sarah Hoffman came by TBCC for a tour on Tuesday, May 27th. Many staff had the opportunity to meet her.

Education Study

Many cancer patients are interested and already using complementary therapies such as meditation, yoga, acupuncture and natural health products, both during and after treatment. We are recruiting oncology professionals to:

- 1.) Examine current knowledge and skills around complementary therapies
- 2.) Evaluate whether an online, self-paced education module is effective at increasing these, as well as the ability to communicate with patients.

If you are interested in participating or learning more please contact Dr Greg Levin (Gregory.levin@ucalgary.ca; 403 476 2455).

WHS Reminder

Search your area for trip hazards and make your area safe! A slip and trip may result in a fall.

Report all Spills to Housekeeping @ 403-944-1306
