

The Baker Buzzy...

Medical Radiation Therapy Week

Please help celebrate MRT Week from November 8 – 14. MRT Week is an annual celebration of the essential role that medical radiation technologists (MRTs) play in the healthcare system. Radiation Therapists here at the TBCC deliver professional imaging and radiation-related treatment services with a caring touch, allowing patients to fully benefit from the latest in medical diagnostic and treatment technology. This year's theme is "An Essential Link – Delivering Technology with Care".

Health & Safety

A safe and healthy workplace starts with healthy employees. Have you done a 'wellness thermometer check' lately? The 2011 AHS employee wellness survey top 5 wellness needs were: Physical Activity, Fatigue, Social Support, Nutrition & Psychosocial Safety. Click [here](#) to see available resources. Employee & Family Assistance Program also offers confidential counselling 24/7. Call 1-877-273-3134.

Many health/fitness facilities across Alberta offer discounts to AHS employees. Take a course on My Learning Link. Search 'wellness' or 'WHS' to view your options and register! *PLEASE WATCH FOR THE AHS WELLNESS SURVEY JANUARY 2016!*

Premier Notley sets path for new Cancer Centre

Rebecca Morlidge, Patient & Family Advisory Committee member and Dr. Peter Duggan, Interim Medical Director at the TBCC, join Premier Notley at the announcement of the new Cancer Centre which will be built on the FMC campus.
