WHS Update

Do you ever find yourself wondering what to do when you hear "Code Red"? Do you wonder why everyone is not evacuating when a Code Red is heard at TBCC? Did you know that the Code Red procedure is not the same at the TBCC and Holy Cross sites? For your safety and that of others around you, it is your responsibility to become familiar with the codes and how to respond appropriately. Code training modules are available on [My Learning Link](#).

Code Policies & Procedures are available on [InSite](#).
